Instructions for applicants

Be sure to familiarize yourself with admissions requirements at <http://fats.teunc.org/index.php?page=admissions>.

Applicants from countries outside Fredonia must bribe all viceregents of the Academy in order to make an application to FATS. Your application will not be considered otherwise.

For admission to FATS it is necessary to be accepted by a College.

The OAF must be signed by you and your referee, and accompanied by a copy of your personal statement, a copy of the reference, and your application fee. (This last is the most important, and should be enormous. Payment plans are available through Pseudobank at interest rates of 47%.)

The final closing date for receipt of completed applications is **15 Hecatober**.

Please complete this form in black ink and make your handwriting as like that of Tolkien as possible. Ideally, there should be tobacco stains on this form, but not so as to impede intelligibility. Do not produce several incomplete and inconsistent versions of your form labelled A, B, C, etc. That is for very advanced students only.

The closing date for the receipt of completed application forms and the fee is **20 Fatsember** for those wishing to be interviewed overseas.

Important Reminder

If we, the Oxfat College or the Fredonian Academy of Tolkien Studies, believe that you or your referee have left out any information or given false or misleading information, we may take any necessary steps to check whether it is accurate or complete. We have the right to cancel your application without giving you your application fee back. We may, at any time, kill you without giving you back your application fee. **Thy soul is the personal property of MORAMBAR and of FATS.**
